

# Good Practice: Transformations-Lotsen

**Johannes Pfeiffer**  
Chairman of the Executive Board of the  
Regional Directorate of Lower Saxony-  
Bremen, Federal Employment Agency

# Eco-System innovation & (vocational) training -diversity creates complexity that needs to be solved!

bringt weiter.

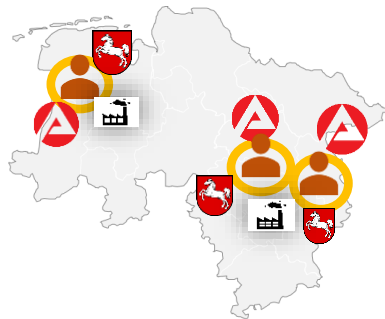

# Transformation only succeeds together qualification and networking for a successful future

## TRANSFORMATIONSLÖSUNGEN

- Qualification of employees as transformation-pilots
- More than 40 employees already qualified
- Goal: At least 200 transformation-pilots

- Establishment of regional "transformation hubs"
- Network for knowledge and innovation transfer
- Connection point, e.g. for artificial intelligence and hydrogen

Council

- Advisory board at state level
- Impulses and visions for actively shaping the transformation
- Top-class members from politics, science, business, social partners and the Federal Employment Agency
